The story Five-0 never wanted you to know

ISBN: 0-9786929-0-X

"When I was thirteen, my parents were killed in front of my eyes. Ironically, I would spend the rest of my teenage years being raised in an orphanage with another individual whose parents were murdered by the same man. Before I turned twenty, I would be at war with a corrupt NYPD unit...and live to tell my own story."

-Nathan "Nan" Jones
